Hi!

I want to introduce myself as a candidate for the »position position. The firms's mission to »mission resonates with me. I am a recent graduate with a major in mathematics, minor in computer science and a motivation to »role. Given this background, I am excited to apply to the »positionalt position to »jobdescription.

You look for a person with »abilities, I am certainly such a person, and can support the claim with several examples  
»justifications

I look forward to hearing from you. Please do not hesitate contacting me if you have any questions.

Thanks in advance!
